

A special appeal for capital equipment for Center Park

Our grants, plant sales and regular appeals have so far kept the park plantings in good shape. We greatly appreciate and need sustaining donations to keep the park safe and attractive. Regular donations are not enough, however, to fund our capital needs.

We have two major categories of visitors to Carlisle Center Park:

- *Visitors* who will get the most benefit from the picnic table, as our current little bistro table is often in use by others.
- *Volunteers* who give their time and energy to keep the plantings thriving, colorful and well-groomed. These volunteers will get great benefit from the tool shed, as safe and accessible tools leaves them more energy and joy for tending the park plantings.

A gift of \$250 gives the donor a name on the picnic table! A gift of \$500 or more gives the donor a business name or short message of their choosing.

Deadline: February 14, 2026

You will see Alison and Mike Saylor on the list of Donors in the middle of the cedar picnic table when it is installed next spring. Will you join me and add your family name there too?

Warmest regards,

Alison Saylor – President of Friends of Center Park, Inc.
